COURSE RECORD

Code	WORLD 100
Name	Our World 100
Hours per week	0
Credit Value	0
ECTS	1
Level/Year	English Prep.
Type	Compulsory
Prerequisites	None
Description	This course is self-access only. Students are expected to engage autonomously with course materials in order to learn how to use English to describe the world we live in. While doing this, students will become more practised in learning new vocabulary items.
Objectives	1. To provide real experience of self-access materials and self-directed learning 2. To teach the vocabulary necessary to make basic descriptions of the physical and human world; 3. To supply students with tools to articulate descriptions of and concerns about the environment; 4. To expand students' general vocabulary, which will help with their Reading, Writing, Listening and Speaking. 5. To teach meta-vocabulary learning strategies
Learning Outcomes	A student who is successful in *Our World 100,* will be able to: LO1. demonstrate, both in the assessment for this course and in the study of other English courses, knowledge of a large number of words from the Target Word List for this course and from the New General Service List; LO2. better understand any reading texts that make reference to the physical world and human activities in it; LO3. know how to expand their own vocabulary; LO4. study autonomously using self-access materials
